

September 2022

Welcome to Bloomsbury Nursery School and a very warm welcome from the Governing Body.

On behalf of the school's Governing Board I would like to welcome every family to the new school year. The Governing Body are very much looking forward to an exciting school year ahead. Our wonderful team is looking forward to working with you as we support your child to develop and grow into confident and independent learners.

The Governing Body is a group of volunteers who work together to support our school. Many of us are current or former parents and give our time, skills and experience to support Bloomsbury Nursery School's leadership team in delivering the highest levels of education and care for the children whilst balancing the various demands that schools face.

As a Governing Body we work closely with the Head teacher and the senior team with a common aim of providing a safe and vibrant learning environment in which all children can reach their potential and have an enjoyable experience at Bloomsbury Nursery School. We offer a broad and balanced curriculum and aim for enjoyment in learning. We have created a school with a nurturing, caring and family atmosphere with the emphasis on the whole child. As parents and carers, you are very much part of the whole school community, and your opinions and comments are very valuable to us.

We operate an 'open door' policy where parents, friends and Governors are always welcome to come into school.

We particularly understands the impact of the pandemic and the cost of living crisis. Please speak to a member of the team if you have any concerns or questions that you need help with we can always signpost you to the appropriate agencies or the right people who can support.

Kind regards

Tamarah March
Chair of Governors
