SEND Inclusion Award

2018-2021

Thank you for a Wonderful Half Term!

welcome

Thank you to all of the Children and Parents for a great start to our Autumn Term 2019.

The children have now settled into nursery and have formed great relationships with their keyworker. Children are showing understanding of nursery routines, they are developing interests across the nursery, both inside and outside and are beginning to develop clear interests in a range of nursery activities.

Children are accessing daily **Maths** and **Literacy** group times. Please look at the noticeboard to see what we are teaching and how you can help at home.

Thank you for all parents who have attended Parent Reviews. Parents and keyworkers have shared some wonderful stories and learning moments.

Forest School

We are very excited to announce that Lisa and Susan will be starting Forest School at nursery, supported by Mark from Forest Schools Birmingham.

Forest School provides children with the opportunity to learn in an outdoor environment. Children are able to explore the natural world around them, learn a range of useful skills that help to improve our environment and build emotional resilience. We are using **Pupil Premium funding** to make this happen. Please ask your child's Keyworker for more information.

Can you please provide warm clothes and welly boots for your child at nursery
