## Coronavirus update

Dear Parents and carers,

We hope you are safe and well. As you are aware, Nursery School remains closed for most pupils. However, we are open for children of parents who are classed as key workers, as well as pupils who are subject to an Education and Healthcare Plan (EHCP) or have an allocated social worker; if provision is considered necessary or required.

The government continue to advise that fewer children making the journey to school, and the fewer children in educational settings, the lower the risk that the virus can spread and infect vulnerable individuals in wider society. **Children should only be in school if they cannot be safely cared for at home**
