The most common symptoms of coronavirus (COVID-19) are recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. If your child does develop symptoms, you can seek advice from the nhs.uk website at https://www.nhs.uk/conditions/coronavirus-covid-19/ check-if-you-have-coronavirus-symptoms/. If you are concerned about your child's symptoms, or they are worsening you can seek advice from NHS 111 at https://111.nhs.uk/ or by phoning 111.

Thank you for all of your help and support this half term. We have enjoyed seeing your videos on Tapestry and seeing all of the exciting experiences you are making for your children at home. Keyworkers have enjoyed speaking to children in their group, or their parent's/carers on the phone. Please let your child's keyworker know, if you intending to send them back to Nursery after half term.

Please send children to nursery with warm winter coats and scarf, gloves and hat. We encourage

children to experience all types of weather and want them to be warm, dry and comfortable.

Please send wellies into nursery, so we can jump in puddles.

## **Group Start and End Times**

**HOW NOT TO WEAR A MASK** 

DON'T Leave your chin exposed DON'T

Wear your mask so it

comes all the way up,

close to the bridge of

the nose, and all the

way down under your chin. Tighten the loops or ties so it's snug around your face, without gaps

Wear the mask below your nose

DON'T

Wear your mask loosely with gaps on the sides

Push your mask under your chin to rest on your neck

DON'T
