We hope everyone enjoyed their **Eid Celebrations**. Hopefully next time we will be able to invite families to a celebration in nursery school.

We are currently preparing the children for transition to their new schools. Please can you let us know which school your child will be attending. If you need any help with accepting the school pace or want to appeal, please see Hardeep in the office, who can book an appointment for you. We are currently inviting Reception teachers and SENCo's to have a virtual meeting with us at nursery or meet children in the garden.

We have a Family Support Drop in at nurseryschool, each Thursday between 9-12. Many families have been supported to complete a Family Connect form to seek support for a range of needs; housing, benefits, extra activities for children, volunteering, ESOL to name a few. If you would like to find out more please follow the link below.
