A huge **welcome** to all of our new families, and welcome back to the families returning to us.

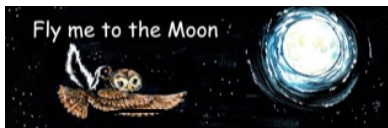

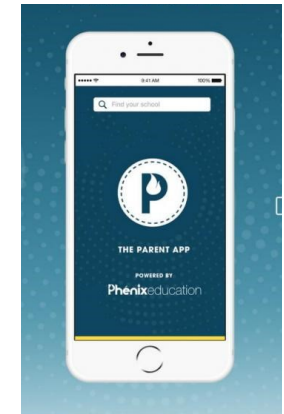

The children have made a great start at settling into nursery school; building relationships with keyworkers, playing, having lots of fun and making new friends.

We believe that education is very much a partnership and we look forward to communicating with you through

Tapestry (online learning journey), newsletters and phone. If you need to talk to your child's keyworker, please call the main office to arrange a time—**0121 464 2034**.

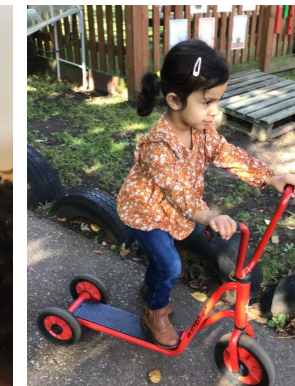

School Website

Bloomsbury Nursery School has a **Website, including a Parent App which you can download**. We would really like you to take a look and let us know what you think. We welcome any suggestions you might have about further information on our website. We also have a Facebook Page, where we share lots of information about nursery and community events.
