

Summer Term 2

We hope everyone had a wonderful half term holiday.

This term the children have been learning about the signs of Summer and transition to Reception Class. We have listed the books of the week that the children will be focussing on throughout the next 7 weeks.

We have completed Transition documents to pass to your child's new reception teacher. We would like to look through this document and sign to say you are happy for us to share this information. If your child has Special Education Needs or Disability (SEND) the SENCo—Tamar Cohen will arrange extra meetings with professionals and parents.

School photos will be on **Wednesday 21st June**. Please be aware only children attending Bloomsbury Nursery will be able to have photos. If you would like siblings to have photos together, please let Hardeep in the office know.

We have a **bean growing competition** at nursery. Please let us know how tall your beans are growing by sharing on your child's tapestry learning journey.
