

Spring Term 2

We hope everyone had a wonderful half term holiday

This term the children will be exploring and learning about the signs of Spring. We will be having chicks into nursery and looking at the growth of the natural world around us and caring for new life. We have listed the books of the week on the next page, that the children will be focussing on throughout the next 4 weeks. We have also placed links on Tapestry for you to follow, to share the books and activities at home. Please share your learning at home with us on Tapestry.

A polite reminder to label your child's clothing with his/ her name.

We always do our best to return all your child's belongings at the end of the day but sadly, with many children in each class this can be difficult if the belongings aren't labelled. Some of the clothes look the same and often the same size. Please help us to look after your child's belongings by labelling everything.

When we find clothing with names in, we will return it to the child.

Winter Infections

Please keep your child at home if they have a high temperature or they are unwell. Please do not send them in with Calpol.

The Rights for this term are:

UNCRC: Article 29 I have the right to an education which develops my personality, respect for others' rights and the environment

UNCRC Article 26– my family should get the money they need to help bring me up

Please remember to bring in a spare set of clothes for your child. If you have any of the spare clothes from the nursery please could we ask that you return them.

As we have children with many different allergies please can we make sure we have **NO NUTS** in the packed lunch boxes and cut **grapes in half** as they are a choking hazard.
